

How to Donate to Surmang Foundation

1. Go to <http://www.surmang.org/>

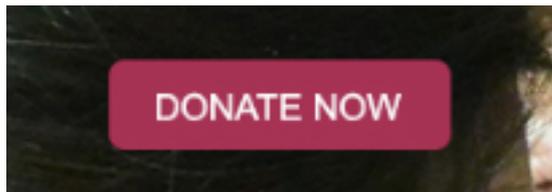

- a. **If a donor advised fund** click on the “DAFDirect” tab on the left of the screen:

A donor advised fund (DAF) is a charitable giving program that allows you to combine the most favorable tax benefits with the flexibility to support your favorite causes.

If you have a donor advised fund, DAF Direct enables you to recommend grants to this nonprofit directly from your DAF (as long as your DAF's sponsoring organization is participating).

- b. **If cash via credit card.** Typically, these are limited to about \$5000, because donors near or at this amount want to discuss the uses of the funds and don't want the charge on their credit card.
- c. i. **DonateNow.** On the home or landing page of our website is this button:

If you click on that button you'll go to

If you want to save a culture, save a mother. The feeling stays with you.

Of all the challenges women and girls face in Tibet, none is bigger than the threat of death in the process of creating life. As a result Tibet has among the highest maternal and infant mortality rates in the world. Let's change that.

Our success in reducing infant and maternal mortality results from individual donors. It is a cause in which one donor can make a significant difference. Join us!

- ii. **ii. Prayer Flags:** If you want you can instruct us to put up a prayer flag on the Mountain above the monastery where our clinic is, with an inscription on the back for Ruimin. Here are a few

Examples:

The flags are \$500 for each prayer. There is no limit on how many you can dedicate. Messages might include:

- “in gratitude for a life of service and compassion.”
- “always in our hearts.”
- “prayers for your inspired journey.”

The prayers are written in English, Chinese and Tibetan.

- d. **Larger cash donation >\$3000.** These are usually done via certified check or bank wire transfer. Please write to me, Lee Weingrad: leeweingrad@surmang.org for details. I can provide details: address, EIN number.
